- the Constitution into line with the recent amendments to the Registered Clubs Act.
5. **Paragraph (h)** amends existing provisions relating to the payment of annual subscriptions to bring the Constitution into line with the recent amendments to the Registered Clubs Act. In this regard, the Registered Clubs Act no longer requires clubs to charge a minimum annual subscription of two dollars (\$2.00) but there is no restriction on clubs requiring members to pay an annual subscription.
 6. **Paragraph (i)** clarifies that any person who has not paid his or her joining fee, subscription, levy, or other payment:
 - (a) by the due date shall cease to be entitled to the privileges of membership of the Club; and

FOURTH SPECIAL RESOLUTION

That the Constitution of Ingleburn RSL Sub Branch Club Limited be amended by **deleting** the words "*Provided that the consent of members is required if the aggregate of any outstanding loans will exceed \$10,000,000*" from Rule 28.3(h) so that Rule 28.3(h) will appear as:

"(h) From time to time at its discretion to borrow or secure the payment of any sum or sums of money for the purposes of the Club and raise or secure the payment of such sum or sums in such manner and upon such terms and conditions in all respects as it shall think fit and to give security including by way of

mortgage and/or charge upon or over all or any part of the Club's property both present and future."

Notes to Members on Fourth Special Resolution

1. The Fourth Special Resolution proposes to remove the current requirement for the Board to obtain the approval of members if the Board seeks to borrow funds or secure the repayment of any loan by way of mortgage etc if the aggregate of any outstanding loans will exceed \$10,000,000.
2. This requirement was included in the Rules of the Club over 15 years ago and the Club's financial position has considerably improved since this requirement was introduced.
3. The Board has received advice that most clubs do not have a restriction on borrowing in the Constitution and it is not legally required to have one.
4. Members can be assured that the Board will act prudentially when seeking to borrow funds for building works and improvements to the Club and the bank obviously has lending requirements which will be applied to any loan made to the Club.
5. In addition to this the value of \$10,000,000 today is significantly less than it was over 15 years ago, and the cost of building works has gone up at a greater rate than inflation in that period, which means that this requirement could in fact restrict the growth of the Club and any possible works and developments that it wishes to undertake in the future.

Note to members regarding financial queries

Members who wish to raise any queries or seek information at the Annual General Meeting about the Financial Report or other matters pertaining to the affairs of the Club, are asked to give the Chief Executive Officer notice in writing of their queries or requests by Friday 22nd April 2022. This will enable properly researched replies to be prepared for the benefit of Members.
